THE CATS' LAIR

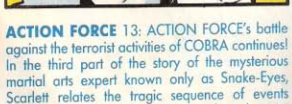

HAMMERHAND! RAM BAM! CRUNCHER! TOP SPINNER! TOGETHER THEY ARE THE BERSERKERS – AND TOGETHER THEY SPELL TROUBLE FOR THE THUNDERCATS! Following last week's conflict with S-S-Slithe and the Mutants, Lion-O and his friends were hoping to catch a few days rest. To this end, Tygra, Panthro and Snarf set off across Third Earth to chart the location of a water well. However, as is always the case in the lives of the Thundercats, innocent excursions of this type can so easily turn into disaster – especially when there are people like the Berserkers around! In this week's episode of **Power Pack,** Jack, Julie, Katie and Alex find themselves pursued by the evil alien Snarks. If you've been following our back-up strip, you'll know that the Snarks already hold the children's mother and father – now, as Power Pack seek to rescue their parents, they find their new-found super powers do not make them quite as formidable as they thought...

CHECKLIST TIME AGAIN!

If, when you've read and re-read this latest issue of **THUNDERCATS,** you find that you crave yet more of the Mighty Marvel style of action and entertainment, then be sure to look out for our other great titles... on sale in your local newsagent **NOW!**

TRANSFORMERS 115: The seemingly endless war between the Autobots and the Decepticons rages on in **A Burning Sky** part one. It begins quietly – as Ultra Magnus takes a break from his duties in order to enjoy the countryside. However, he is shaken from his reverie by some local volcanic activity, not to mention the appearance of an old foe... GALVATRON!

ACTION FORCE 13: ACTION FORCE's battle against the terrorist activities of COBRA continues! In the third part of the story of the mysterious martial arts expert known only as Snake-Eyes, Scarlett relates the tragic sequence of events which left her old friend scarred and mute. Meanwhile, following the success of his plan to discredit ACTION FORCE, COBRA's weaponry expert, Destro, takes time out to visit an old friend in Casablanca.

And don't forget that you may still have time to catch the creative team of **THUNDERCATS** at Birmingham's NOSTALGIA & COMICS (14-16 Smallbrook Queensway). They'll be there from 1 o'clock onwards on Saturday, May 23rd, signing comics, chatting and maybe even drawing sketches. So, if you're in the area, why not drop in and say hello?

THUNDER-CHAT

Dear **THUNDERCATS,**

I bought your comic and the sticker album and I'm going to get some **THUNDERCATS** figures for my birthday on the 14th of April. Could you please send me a map of Third Earth and a map of the Cats' Lair?

Greig Scott
Strathclyde

Snarf replies: A belated Happy Birthday, Greig! I'm afraid we can't send you a copy of the map of Third Earth as we've only got one to share between us (you know how it is with maps – only one person ever has one and everybody always wants me to borrow it!). However, don't despair, in just a few weeks' time we'll be presenting a complete map of Third Earth as part of a story which will reveal more about the planet on which Lion-O and the rest of us live than has ever been revealed before!

Dear Thunder-Chat,

On the back of your second issue you featured an advertisment that said we can claim a free Mumm-Ra if we just collect four tokens from **THUNDERCATS** packs. What **THUNDERCATS** packs? Do you mean the packs of stickers or the back of the packs that the figures come in or WHAT? Please let me know, 'cause I'd love to have this Mumm-Ra figure. Thanks.

Lee Coleman
Sutton Coldfield

Dear Sir,

I would like to know if you would allow me to buy the Mumm-Ra Mummy figure that you are giving with four tokens from the **THUNDERCATS** packs? My son has all the **THUNDERCATS** figures but no longer has the packs so I would dearly like to buy a Mumm-Ra figure for him to complete his collection. Thank you.

F. Dickie
Ayrshire

My terrestrial helpers tell me that we've had an awful lot of inquiries about the Mumm-Ra toy offer that was featured in an advertisement in issue two. However they have asked me to tell readers that this offer has nothing to do with Marvel Comics. If you do wish to claim a free Mumm-Ra figure then you should write to PARKER REDMILE LTD., FREE MUMM-RA OFFER, PO BOX 25, CROYDON, SURREY. Accompanying your letter should be four THUNDERCATS and RAINBOW TOYS logos from the packages of the Thundercats figures. On no account should you send packages from any other THUNDERCATS products – or money – to either PARKER REDMILE or Marvel Comics.

Dear **THUNDERCATS,**

Could you tell me if the Astral Moat Monster will appear in the comic in the near future?

Gavin Whitaker
Manchester

I'm sure that the Astral Moat Monster will indeed be popping up at some point in the comic, Gavin, however, my terrestrial helpers tell me that he will definitely be featured in the THUNDERCATS ANNUAL this year in a story called WAY BACK... WHEN?
