THE CATS' LAIR

EVER HAD ONE OF THOSE DAYS WHEN YOU WISH YOU'D STAYED IN BED? Something similar happens to the Thundercats this issue – unfortunately, bed is the last place any of them are likely to be safe! The culprit is the dastardly devil-priest of Third Earth, Mumm-Ra the Ever-Living. Not content with turning the Cats' waking lives into a nightmare, Mumm-Ra now plans to invade their dreamworld as well – with disastrous consequences for the Thundercat sleepyheads! *Dream Master* begins on the next page – don't let ol' mean green catch you napping! We bid a welcome return to the *Mini-Poster* feature in the centrespread, as a worried Snarf prepares to face the wrath of Spidera, that eight-legged party pooper from THUNDERCATS 40. It's the request of Katie Mikhail of Southend and Dennis Fry of Kings Lynn – miss it not! *Thunder-Chat* returns next issue, but there's enough excitement in the current *Power Pack* installment to divert even the most devoted Snarf fan. Back on Earth, Power Pack's youngest member, Franklin, is warned of their kidnapping in a dream – but is powerless to help! Elsewhere, on Snarkworld, the evil Prince Jakal and the downright diabolical Queen Maraud unveil the Snark transfer matrix! Imagine a Snark with all the powers of Power Pack themselves, and you'll have some idea of how much trouble they're in! Finally, on page 23, we've the further adventures of *One Cat And His Cod*. But you'd guessed that already, right? THUNDERCATS 58 – everything you ever wanted in a comic (except a letters page)!

How do the Thundercats defend themselves against the Luna-Lasher?

Quickly.

In a remote area of Third Earth, Pumyra has ventured out alone and fallen victim to the latest Evil Mutant weapon, the Luna-Lasher. With the Luna-Lasher strapped to his back, Mumm-ra can deliver crashing blows to any defenceless Thundercat. But help is at hand. Lion-O, wearing his new fast flying Thunderwings transporter, swoops towards Mumm-ra. Tuska Warrior wastes no time getting to the scene on the giant running legs of his new Stilt Runner, the fastest vehicle on two feet. Thanks to the Thundercats swift new Transporters, Pumyra is soon safe again, as Mumm-ra, who knows when he's outnumbered, retreats.
